Sahra Spa & Hamman

Inspired by the desert's ever-expanding canopy of sky, mystifying sand sculptures, and enchanting, moonlit nights – Sahra is a Las Vegas hotel spa that changes perspective, opening the window to a world of unique experiences. Sink into the Space Between, a serenity lounge where falling waters are heard and absolute calm settles in a dramatic, soul-soaring atmosphere. A monsoon cave rains serenity. The steam room gets reimaged, unveiling a cool micro-mist. Bask on a giant stone slab, heated from within as if by an eternal sun.

STK

STK Las Vegas is not your daddy's steakhouse. Don't expect to find antiques on the walls or a stuffy atmosphere. We're a modern, chic steakhouse for anyone who finds the traditional American steakhouse a tad on the boring side. When your mouth drops from the stunningly modern restaurant space, don't forget to fill up on the juiciest, most tender cuts of steak around. We want you to mingle and have fun. Say hello to your table neighbors. Dance to the DJ and then hydrate with a cocktail or two. At STK, you'll get more than a great culinary experience... You'll get the perfect night out.
